## About Us

When we empower people to organize their local communities, we can change our Commonwealth and our country for the better.

We support Democratic candidates and causes consistent with our values. We volunteer to elect these candidates at the local, state and national level.

We sponsor charitable events in our community including an annual scholarship to a Danvers student and a Day of Service honoring Martin Luther King Jr Day.

We have a little fun along the way.

**M A S S D E M S**

Our democracy is in peril. More than at any time in our history, the institutions that protect our liberties are being threatened. Now is the time that we must act! We must protect everyone's right to vote and our basic human rights and freedoms.

We Organize!**
