## **We Choose Freedom**

In this election, we face a question: What kind of country do we want to live in? There are some people who think we should be a country of chaos, of fear, of hate but we choose something else, something different. WE CHOOSE FREEDOM. Freedom to not just get by but to get ahead. The freedom to be safe from gun violence - in our schools, communities, and places of worship. The freedom to make decisions about our own body. The freedom to love who you love openly and with pride. The freedom to breathe clean air, drink clean water and live free from the pollution that fuels the climate crisis. And the freedom that unlocks all the others: The freedom to vote.

We choose a future where no child lives in poverty, where we can all afford health care, and where no one is above the law. We are the heirs to the greatest democracy in the history of the world. And on behalf of our children and grandchildren, and all those who sacrificed so dearly for our freedom and liberty, we must be worthy of this moment. It is now our turn to do what generations before us have done. Let us show the world who we Democrats are and what we stand for. Freedom. Opportunity. Compassion. Dignity. Fairness. Endless Possibilities. We believe in the promise of America and we're ready to fight for it because WHEN WE FIGHT, WE WIN. Let's get to work!
